Dear Colleagues,

My name is Ignacio G (Hutiá Xeiti) Rivera, M.A., and I would like to discuss opportunities for collaboration. I have over 20 years of experience as an educator, writer, performance artist, and speaker on intersections of gender, sexuality, and anti-oppression work. I am looking for academic and research opportunities including teaching positions, fellowships, visiting scholarships, and authorships.

As a Queer, Trans, Yamoká-hu/Two-Spirit, Black-Boricua Taíno activist, I have been working to advance the anti-racist, anti-violence, mujerista, and LGBTQI+ movements with a focus toward the sexual liberation of queer women, transgender, multi-gender, gender non-conforming, and gender-variant people of color. In my current fellowship with the Just Beginnings Collaborative (JBC), I have founded and am leading The HEAL Project, a movement to prevent and help end child sexual abuse (CSA) and sexual trauma through fostering open dialogue around sex and sexuality.

My body of work also includes keynoting, facilitating workshops, and leading group and professional trainings at over 200+ colleges, universities, organizations, and conferences across the United States and around the world. My written work has been published in more than a dozen books, featuring topics of consent, sexual survivorship, sex after sexual violence, kink, and polyamory. You can find out more about my work and experience, including my CV, on my website: [www.igrivera.com](http://www.igrivera.com).

I welcome further opportunities within academic institutions as well as non-profit organizations whose mission and needs align with my expertise. I am prepared to offer at least three college-level courses titled *CSA and Human Sexuality*, *The Business of Sex*, and *Kink, Trauma, and Sexual Liberation*. I am also interested in taking on a position as a fellow, visiting scholar, or guest lecturer in the field of gender and sexuality research, activism, and studies.

Please let me know if you are interested in speaking further. I appreciate your time and look forward to hearing from you.

Warmly,

Ignacio G Rivera (they/them/theirs)
